NORIBACHI RANKS IN THE TOP 20 ON THE LOS ANGELES BUSINESS JOURNAL'S "100 FASTEST GROWING PRIVATE COMPANIES" LIST

Noribachi Only LED Lighting Company and One of Two LA-Based Manufacturers In The Top 20

HARBOR CITY, CA – November 9, 2015: Noribachi, a leading Los Angeles-based custom LED manufacturer for high output commercial and industrial solutions, ranks in the Top 20 on the Los Angeles Business Journal's "100 Fastest Growing Private Companies" list.

For the second year in a row, Noribachi has been named to the "100 Fastest Growing Private Companies" list, ranking 20th overall. Noribachi is the only LED lighting company and one of only two LA-based manufacturers in Top 20. The award recognizes high revenue growth for Los Angeles area private companies.

Noribachi has proudly made the Los Angeles area its home since January 2012, while other companies have taken their manufacturing operations overseas. The demand for Noribachi manufactured LED products has led to a 1972% growth in revenue in the past three years.

Noribachi applies a unique Bespoke Engineered and Specifically Tailored (BEST) manufacturing methodology resulting in efficient and cost-effective custom engineered high-volume LED lighting products. The company's BEST LED products along with its strategic partnership with Samsung Electronics, the launch of its Preferred Contractor Program and efficiencies in its manufacturing process are key drivers in the company's on-going growth.

"We are honored to be named to the Los Angeles Business Journal's 100 Fastest Growing Private Companies list," says Esther M. Santos, General Manager, Noribachi. "Being in LA allows us to manufacture high-quality and efficient LED products, provide competitive pricing, and deliver short lead-times."
