

NORIBACHI COMMITMENT TO EXCELLENCE

STANDARD FIVE YEAR LIMITED WARRANTY FOR

HIGH LUMEN OUTPUT LED BULBS AND FIXTURES

Effective Date : 1/1/14

LIMITED WARRANTY

Noribachi Corporation ("Noribachi") warrants its high lumen output (1,000 lumens or more) LED Bulbs and Fixtures ("Product"), when delivered in new condition and in its original packaging, will be free of defects in material and workmanship under normal use in suitable applications within rated electric service limitations for a period of FIVE (5) YEARS from the date of original purchase ("Warranty Period") from Noribachi or an authorized Independent Sales Representative, Distributor or Dealer. The determination of whether the Product is defective shall be made by Noribachi in its sole discretion with consideration given to the overall performance of the Product. A Product shall not be considered defective solely as a result of the failure of individual LED components to emit light if the number of inoperable light emitting diodes in the Product is less than 10% of the total number of light emitting diodes in the Product. The painted finish of the Product will be considered defective in material and workmanship only if there is substantial deterioration in the form of blistering, cracking or peeling. The painted finish is not warranted against fading, staining or chalking, as Products may naturally fade, stain or chalk over time due to normal aging.

If Noribachi determines the Product or a component is defective, Noribachi will elect, in its sole discretion, to refund the purchase price of the Product, or repair or replace the Product or component with the same or a functionally equivalent Product or component. This limited warranty will not apply to loss or damage to the Product caused by: failure to use the Product for the purpose for which it was designed; physical damage, exposure to adverse or caustic or hazardous chemical or other substances; use of reactive cleaning agents and/or harsh chemicals to clean the Product; vandalism; fire, power failure; improper power supply; power surges or dips and/or excessive switching; excessive ambient temperature; induced vibration; harmonic oscillation or resonance associated with movement of air currents around the product; fault or negligence of purchaser, any end user, third party or service provider not engaged or approved in advance by Noribachi; improper or unauthorized use, installation, handling, storage, alteration, maintenance or service, including any failure to abide by any product classifications or certifications, or failure to comply with any applicable standards, codes, recommendations, product specification sheets or instructions of Noribachi; or any other occurrences beyond Noribachi's control. Noribachi will not be responsible under this warranty for substantial deterioration in the Product finish that is caused by failure to clean, inspect or maintain the finish of the Product. The end user is solely responsible for the structural integrity of any foundations, anchorages or structures upon which the Product is mounted or to which it is attached. Adequate records of operating history, maintenance, and/or testing must be kept by the end user and provided to Noribachi upon request to substantiate that the Product has failed to comply with the terms of the Warranty. Neither polycarbonate nor acrylic material used in the Products is warranted against yellowing, as yellowing may naturally occur over time due to normal aging. This limited warranty excludes field labor and service charges related to the repair or replacement of the Product.

Noribachi reserves the right to utilize new, reconditioned, refurbished, repaired or remanufactured products or parts in the warranty repair or replacement process. Such products and parts will be comparable in function and performance to an original product or part, as determined by Noribachi in its sole discretion, and warranted for the remainder of the original warranty period.

During the first year of the Warranty Period, Noribachi will pay the reasonable cost or service charges, including labor, of uninstalling, packing, shipping repairing or replacing and re-installing ("Repair/Replacement Services") any Defective Product provided the Repair/Replacement Services are performed by Noribachi's designated Repair/Replacement contractor or other approved contractor in strict accordance with instructions and a purchase order provided and approved by Noribachi. Noribachi reserves the right to obtain competitive quotes and to select the contractor of its choice for repairs in the field. **NORIBACHI WILL NOT HONOR ANY CLAIMS FOR THE COST OF REPAIR WITHOUT PRIOR WRITTEN APPROVAL.**

To make a warranty claim, you must notify Noribachi in writing within sixty (60) days after your discovery of the defect, provide proof of purchase such as the invoice and comply with Noribachi's other warranty requirements. Upon receiving that notice, Noribachi may require you to promptly return the Product to Noribachi, or its authorized service provider, freight prepaid. Your warranty claim should be addressed to Noribachi Corporation via email at RMA@noribachi.com.

In no event will Noribachi be liable for any special, indirect, consequential, incidental or punitive damages, however caused and regardless of the theory of liability, arising out of or related to the Noribachi's performance or breach of this warranty, sale, delivery, repair, replacement or the furnishing of any services or customer's use of or inability to use the products, even if the company has been advised of the possibility of such damages. In no event will the company's liability on any and all claims of any kind, whether in contract, warranty, tort, strict liability or otherwise exceed the amount paid by the customer for the product giving rise to any claim.
