THESE STANDARD TERMS AND CONDITIONS APPLY TO ALL PURCHASES FROM AND AFTER JANUARY 1, 2014 WHETHER OR NOT SUCH PURCHASE IS SUBJECT TO A SIGNED PURCHASE ORDER OR DEALER AGREEMENT BETWEEN THE COMPANY AND THE PURCHASER.

1. ORDERS, PRICES AND ACCEPTANCE

1.1 Orders from Customers of a Dealer, Distributor or Independent Sales Representative shall first be forwarded to the Dealer, Distributor or Independent Sales Representative. Orders from Dealers, Distributors or Independent Sales Representatives and orders from Customers not represented by Dealers, Distributors or Independent Sales Representatives shall be forwarded to Company at its head office. No order shall be binding on Company until accepted by Company. After acceptance an order shall not be subject to cancellation. All sales are final. 1.2 Company's acceptance of all orders and all offers and sales by Company are subject to and expressly conditioned upon Customer's assent to the terms and conditions of this Agreement. The Agreement consists of these sales terms and conditions, Company's quotation or proposal, if any, and Company's order acknowledgement. Customer's acceptance of any offer by Company must be made on such terms and conditions exactly as offered by Company. Any of Customer's terms and conditions which are different from or in addition to those contained in this Agreement are objected to by Company and shall be of no effect unless specifically agreed to in writing by Company. Commencement of performance or shipment shall not be construed as acceptance of any of Customer's terms and conditions which are different from or in addition to those contained in the Agreement. If a contract is not earlier formed by mutual agreement in writing, acceptance by Customer of products or services furnished by Company pursuant hereto shall be deemed Customer's assent to all of the terms and conditions of this Agreement.

1.3 Proposals for Company to supply products to Customer are valid for 30 days from issuance unless otherwise agreed to by Company in writing. Orders may not be cancelled or modified, either in whole or part, without Company's express written consent. If Company consents to any order modification or cancellation, it may impose an order modification or cancellation fee to reimburse Company for costs incurred by virtue of the sale including cost of purchased materials, engineering costs and a reasonable allowance for profit. All prices are as stated in Company's quote or proposal and specifically override any prices referenced in Customer's purchase order. Prices for orders for immediate shipment are prices in effect at time of receipt of order. Qualifying orders specifying future delivery will be invoiced at prices and

terms in effect at time of shipment. The prices stated in this Agreement are in U.S. dollars and do not include transportation, insurance or any sales, use, excise or other taxes, duties, fees or assessments imposed by any jurisdiction. All applicable taxes will be paid by Customer, unless Customer provides Company with appropriate tax exemption certificates, and if a Dealer or Distributor requests that Company ship products to Dealer's or Distributor's Customer, Dealer or Distributor must provide Company with a valid resale certificate or other valid exemption certificate for its Customer, and Dealer or Distributor hereby indemnifies Company for all taxes, costs, fees, expenses, penalties, and other charges if Dealer or Distributor cannot provide adequate evidence that it remitted the applicable sales tax to the destination state. Any amounts paid at any time by Company that are the responsibility of Customer shall be invoiced to Customer and reimbursed to Company. All prices and other terms are subject to correction for typographical or clerical errors.

2.2 Company will make a reasonable effort to observe the dates specified herein or such later dates as may be agreed to by Customer for delivery or other performance, but Company shall not be liable for any delay in delivery or failure to perform due to acceptance of prior orders, strike, lockout, riot, war, fire, acts of God, accident, delays caused by any subcontractor or supplier or by Customer, technical difficulties, failure or breakdown of machinery or components necessary for order completion, inability to obtain or substantial rises in the price of labor or materials or manufacturing facilities, curtailment of or failure to obtain sufficient electrical or other energy supplies, or compliance with any law, regulation, order or direction, whether valid or invalid, of any governmental authority or instrumentality thereof, or due to any circumstances or any causes beyond its reasonable control, whether similar or dissimilar to the foregoing and whether or not foreseen. As used herein, "performance" shall include, without limitation, fabrication, shipment, delivery, assembly, installation, testing and warranty repair and replacement, as applicable.

effective against Company for such delay or failure; provided, however, that if the delay or failure extends beyond six (6) months from the originally scheduled date either party may, with written notice to the other, terminate this Agreement without further liability for the unperformed part of this Agreement.

2.4 All products delivered hereunder shall be deemed accepted by Customer as conforming to this Agreement, and Customer shall have no right to revoke any acceptance, unless written notice of the claimed nonconformity is received by Company within ten (10) days of delivery thereof. 3. TITLE, RISK OF LOSS

3.1 Company hereby reserves, and Customer hereby grants to Company a purchase money security interest in all products purchased under this Agreement, together with all proceeds thereof, including insurance proceeds. Such security interest secures all of Customer's obligations arising under this Agreement, and any other agreements between Customer and Company, until all amounts due Company hereunder have been paid in full. Customer agrees upon Company's request to sign appropriate financing statements evidencing Company's security interest.

3.2 Subject to the security interest reserved to Company, title and risk of loss and/or damage to products shall pass to Customer upon delivery of the products to the transportation company at the shipping point. Confiscation or destruction of or damage to products shall not release, reduce or in any way affect the liability of Customer. All products must be inspected upon receipt and claims filed by Customer with the transportation company when there is evidence of shipping damage, either concealed or external.

Payment may be made by (i) check or money order, (ii) wire transfer to a bank account designated by Company or (iii) credit card approved by the Company.

4.2 Company may, at its option, elect to extend credit to Customer on terms acceptable to Company. There are no discounts for early payment. If the order is shipped in more than one shipment, the balance for each shipment shall be due within thirty (30) days after each shipment.
