

WARNING!**IMPORTANT SAFEGUARDS:**

Read and Follow all safety instructions before Installation! Save these instructions and deliver to owner after installation.

IMPORTANT:

- Read all instructions carefully before attempting installation. If you do not understand these instructions, please consult your local distributor.
- Thoroughly inspect your fixture for any freight damage; freight damage should be reported to the delivery carrier.
- Do not use when broken.
- Installation must be structurally sound to prevent damage or injury due to fixture collapse.

**MOUNTING**

1. Use the crank handles to loosen the mounting screws. See FIGURE 1.
2. Attach handle yoke, using customer supplied hardware, to mounting surface, ensuring that the mounting surface and hardware is capable of supporting the weight of the luminaire. See FIGURE 2.
3. Center hole may be used for wire connection. See fixture installation instruction for additional information.
4. Adjust luminaire to desired beam angle for light.
5. Use the crank handles to retighten the mounting screws.
