HCAP Partners Announces Investment in Noribachi

San Diego, CA (September 16, 2015) – [HCAP Partners](#), a California-based mezzanine debt and private equity firm, today announced that it has completed a mezzanine loan investment in U.S.-based LED manufacturer [Noribachi](#).

Noribachi is a U.S.-based manufacturer of high-output commercial and industrial LED lighting solutions. The Company, founded by Silicon Valley entrepreneurs Farzad and Rhonda Dibachi, is committed to custom engineering LED lighting products to order that are highly efficient, flexible, cost-effective and energy saving. As a result of this custom engineering approach, Noribachi has been featured on both the Forbes List of America's Most Promising Companies and Inc. Magazine's Annual List of America's Fastest-Growing Private Companies for the past two consecutive years. The Company also ranked 7th on the Los Angeles Business Journal's 100 Fastest Growing Private Companies List in 2014.

HCAP Partners managing partner Tim Bubnack commented, "We look forward to partnering with the Noribachi management team to support the Company's growth. We believe Noribachi will continue to strongly differentiate themselves in the market, incorporating design and technology to deliver next generation lighting solutions that offer value and a strong return on investment."

Farzad Dibachi, co-founder and CEO of Noribachi, stated, "We are pleased to be partnering with HCAP Partners. This investment helps Noribachi expand the manufacturing of our Bespoke Engineered and Specifically Tailored LED lighting solutions as well as support our current and growing customer base with the highest quality LED products."
